SEMPO FY 2017 UPWP
SEMPO Board of Directors

**Voting Members:**

Chairperson – Chauncy Buchheit, Southeast Missouri Regional Planning and Economic Development Commission
Vice Chairperson – Jim Roach, City of Jackson

Dwain Hahs, City of Jackson
Charlie Herbst, Cape Girardeau County
Scott Meyer, City of Cape Girardeau
Tom Mogelnicki, Cape Girardeau County Transit Authority
Harry Rediger, City of Cape Girardeau

**Non-Voting Members:**

Joe Aden, Village of East Cape Girardeau
Mark Bechtel, Federal Transit Administration – Region 7
David Blalock, Bootheel Regional Planning Commission
Mike Brandon, Missouri Department of Transportation
Jamie Burger, Scott County
Jay Ciavarella, Federal Transit Administration - Region 5
Jeffrey Keirn, Illinois Department of Transportation
Michael Latuszek, Federal Highway Administration - Missouri Division
Kathy Mangels, Southeast Missouri State University Transit
Harold McNelly, Alexander County
Dan Overbey, Southeast Missouri Regional Port Authority
Mark Phillips, Cape Special Road District
Matt Seiler, Missouri Department of Transportation
Mark Shelton, Missouri Department of Transportation
Betsy Tracy, Federal Highway Administration - Illinois Division

**Staff:**

Molly Hood, City of Cape Girardeau (SEMPO Executive Director)
Alex McElroy, City of Cape Girardeau
Ryan Shrimplin, City of Cape Girardeau
SEMPO Technical Planning Committee

**Voting Members:**

Chairperson – Kelley Watson, Cape Girardeau County Transit Authority
Vice Chairperson – Larry Payne, Cape Girardeau Area Chamber of Commerce – Transportation Committee

Joe Aden, Village of East Cape Girardeau
David Blalock, Bootheel Regional Planning Commission
Rodney Bollinger, City of Jackson
Mike Brandon, Missouri Department of Transportation
Jamie Burger, Scott County
Drew Christian, Southeast Missouri Regional Planning and Economic Development Commission
Jeff Denny, Alexander County Highway Department
Ron Eskew, City of Scott City
Beth Glaus, Southeast Missouri State University Transit
Charlie Herbst, Cape Girardeau County
Joe Killian, Missouri Department of Transportation
Bruce Loy, Cape Girardeau Regional Airport
John Mehner, Cape Girardeau Area MAGNET
Tom Mogelnicki, Cape Girardeau County Transit Authority
Carrie Nelson, Illinois Department of Transportation
Dan Overbey, Southeast Missouri Regional Port Authority
Mark Phillips, Cape Special Road District

**Non-Voting Members:**

Mark Bechtel, Federal Transit Administration - Region 7
Jay Ciavarella, Federal Transit Administration - Region 5
Curtis Jones, Illinois Department of Transportation
Dion Knipp, Missouri Department of Transportation – Multi-Modal/Transit
Michael Latuszek, Federal Highway Administration - Missouri Division
Brian Okenfuss, Missouri Department of Transportation
Matt Seiler, Missouri Department of Transportation
Betsy Tracy, Federal Highway Administration - Illinois Division
Eva Voss, Missouri Department of Transportation

**Staff:**

Molly Hood, City of Cape Girardeau (SEMPO Executive Director)
Alex McElroy, City of Cape Girardeau
Ryan Shrimplin, City of Cape Girardeau
Introduction

A metropolitan planning organization (MPO) is a federally mandated and funded policy-making organization that oversees transportation planning for an urbanized area. The requirements for MPO's are contained in 23 U.S.C. 134 and 23 CFR 450.308. One of the key requirements is that the MPO conduct a metropolitan transportation planning process that is continuous, cooperative, and comprehensive. As part of this process, the MPO must adopt a Unified Planning Work Program (UPWP) that provides for consideration and implementation of projects, strategies and services that will address the following eight factors:

1. Support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity and efficiency;

2. Increase the safety of the transportation system for motorized and non-motorized users;

3. Increase the security of the transportation system for motorized and non-motorized users;

4. Increase the accessibility and mobility of people and freight;

5. Protect and enhance the environment, promote energy conservation, improve the quality of life, and promote consistency between transportation improvements and state and local planned growth and economic development patterns;

6. Enhance the integration and connectivity of the transportation system, across and between modes, for people and freight;

7. Promote efficient system management and operation; and

8. Emphasize the preservation of the existing transportation system.

As the MPO for the Cape Girardeau – Jackson urbanized area, the Southeast Metropolitan Planning Organization (SEMPO) is responsible for meeting the federal metropolitan planning regulations for the specified geographic area that includes the City of Cape Girardeau, the City of Jackson, and portions of Cape Girardeau County and Scott County, Missouri, as well as portions of the Village of East Cape Girardeau and Alexander County, Illinois. A map showing the SEMPO planning area is included as an attachment. This area is faced with the challenge of maintaining a number of transportation systems that meet the needs of a growing region, including highways, railways, ports, airports, transit, bicyclists, and pedestrians. Addressing this challenge is SEMPO’s top priority, followed by planning for expansion of these systems to accommodate future growth.

SEMPO was designated by the Governor of Missouri as the metropolitan planning organization for the urbanized area on March 12, 2013, and by the Governor of Illinois on February 7, 2013. It is comprised of a Board of Directors and a Technical Planning Committee. The Board of
Directors consists of elected and appointed officials from the above jurisdictions, as well as various federal, state, and regional transportation agencies and local transit authorities. The Technical Planning Committee primarily consists of staff from these jurisdictions and agencies; it serves in an advisory capacity to the Board of Directors on technical matters. The City of Cape Girardeau provides administrative services and staff support for SEMPO, as authorized in the Memorandum of Understanding and the Bylaws.

This UPWP covers the period from July 1, 2016 to June 30, 2017. It serves as a management tool for identifying, scheduling, budgeting and monitoring SEMPO's planning activities, and serves as the basis for funding agreements with the Missouri Department of Transportation (MoDOT) and Illinois Department of Transportation (IDOT). There are a number of activities that are considered eligible expenses for transportation planning funds, such as: data collection and maintenance, map preparation, land use studies, traffic volume studies, economic and fiscal studies, project evaluation studies, and similar studies relating to transportation.

Tables 1 through 6 show SEMPO’s funding sources, budget, and allocations for Fiscal Year 2017.

### Table 1: SEMPO Funding Sources

Elements of the FY 2017 Unified Planning Work Program

The UPWP is the management plan for the MPO. It identifies and schedules all of the planning activities that need to be accomplished on an annual basis. It integrates policy, planning, and programming activities. This is also where the allocation of staff and funding resources occurs.

There are three work elements in this year’s UPWP. Each element consists of sections that identify the lead agency; objective; program activities; prior year accomplishments; work products (with estimated completion dates); and budget. The budget allocations for these elements are shown in Table 6.

The SEMPO FY 2017 UPWP consists of the following work elements:

1.0 Program Administration and Support
2.0 Data Acquisition and Maintenance
3.0 Transportation Planning

1.0 Program Administration and Support

This work element addresses the administrative and support functions for SEMPO, such as the Unified Planning Work Program, coordination of third party services, public outreach, education and training.

1.1 Program Support

1.1.1 Lead Agency: SEMPO

1.1.2 Objective

SEMPO will conduct its activities in accordance with applicable federal, state, and local laws as well as its own plans and programs. The UPWP will be prepared and adopted annually, and will serve as the basis for the transportation planning process, including technical and administrative support. Staff will coordinate all activities and provide the necessary resources. SEMPO will participate in meetings with other agencies to ensure that its transportation planning process is properly coordinated with statewide and regional processes, and to provide input on matters affecting transportation in Southeast Missouri.

1.1.3 Program Activities

a. Prepare agendas, minutes, presentations, information and materials for meetings of the SEMPO Board of Directors, Technical Planning Committee, and other committees as needed.
b. Develop the annual budget and Unified Planning Work Program for FY 2018; prepare and submit FY 2017 UPWP quarterly progress reports, billings and invoices; amend documents as needed.
c. Contract with third party agencies and consultants on an as-needed basis, in accordance with the Consolidated Planning Grant Agreement with MoDOT and the Intergovernmental Agreement with IDOT; coordinate and review contracted work products.
d. Participate in coordination and partnering programs with MoDOT and IDOT, and in intergovernmental organizations such as the Southeast Missouri Regional Planning Commission and the Bootheel Regional Planning Commission.
e. Respond to requests for information from outside jurisdictions, agencies, and the public.
f. Maintain compliance with Title VI requirements; address complaints and environmental justice issues as necessary.
g. Maintain compliance with applicable federal, state, and local laws and regulations.

1.1.4 FY 2016 Accomplishments

a. Prepared and adopted FY 2017 Unified Planning Work Program (June 2016)
b. Prepared Board and TPC 2016 Meeting Schedules (December 2015)
c. Submitted Bridge Replacement/Pavement Overlay/Safety Needs Lists to MoDOT for STIP consideration (September/October 2015)
1.1.5 FY 2017 Work Products (estimated completion dates)
   a. Meeting agendas, minutes, presentations, information and materials (ongoing)
   b. FY 2018 UPWP (June 2017)
   c. FY 2017 UPWP progress reports (submitted with invoices to MoDOT and IDOT)

1.1.6 Budget: $65,326

1.2 Public Outreach

1.2.1 Lead Agency: SEMPO

1.2.2 Objective
SEMPO will conduct public outreach activities in accordance with the Public Participation Plan. This Plan, adopted on May 21, 2014, outlines a process for obtaining public input on SEMPO’s planning documents, including the Public Participation Plan, the Title VI Program, the Unified Planning Work Program, the Metropolitan Transportation Plan, and the Transportation Improvement Program.

1.2.3 Program Activities
a. Provide public access to SEMPO information, including meeting schedules, agendas, minutes, data, work products, and opportunities for public input.
b. Provide the public with timely notice of SEMPO meetings and public input sessions.
c. Conduct public input sessions in accordance with the Public Participation Plan.
d. Promote communication with, and encourage participation from, persons in the communities served by SEMPO, including those traditionally underserved by transportation.

1.2.4 FY 2016 Accomplishments
a. Conducted public input sessions on 2016-2040 MTP (September 2015)
c. Held public hearing on FY 2017 Unified Planning Work Program (May 2016)
d. Posted draft planning documents for public comment in accordance with Public Participation Plan

1.2.5 FY 2017 Work Products (estimated completion dates)
 a. Conduct public outreach activities via SEMPO website, postings in public buildings, legal advertisements, public input sessions, etc. (ongoing)
 b. Review Public Participation Plan to determine if an update is necessary (June 2017)

1.2.6 Budget: $21,775

1.3 Education and Training

1.3.1 Lead Agency: SEMPO

1.3.2 Objective
The SEMPO Board of Directors, Technical Planning Committee, and staff will be knowledgeable in applicable federal, state, and local laws; SEMPO policies, procedures, and funding; and other matters affecting the purpose, function, and activities of SEMPO. Education and training are essential to maintaining knowledge that is up-to-date and relevant.

1.3.3 Program Activities
a. Attend meetings, seminars, workshops and conferences pertaining to transportation planning and related issues, as well as professional development needed for proper administration of SEMPO. Examples include:
   • American Planning Association (APA) national and state chapter conferences
   • Association of Metropolitan Planning Organizations Annual Conference
   • MoDOT Statewide Planning Partners Meeting
   • Missouri MPO Conference
   • Illinois MPO Conference
   • Transit Midwest Conference
   • Federal and state workshops and training on the topics of civil rights, grant administration, transportation planning legislation and Department of Transportation regulations
   • Emergency management and safety planning training
   • Geographic information systems training
   • Data collection and analysis training
   • Computer software training

1.3.4 FY 2016 Accomplishments
a. Attended MoDOT Statewide Planning Partners Meeting (February 2016)
b. Attended MO American Planning Association Chapter Conference (October 2015)

1.3.5 FY 2017 Work Products (estimated completion dates)
a. Verbal and/or written summaries of education and training received (ongoing)
b. Distributed materials received from meetings, seminars, workshops and conferences (ongoing)

1.3.6 Budget: $21,775

2.0 Data Acquisition and Maintenance

This work element addresses the data collection and maintenance function for SEMPO.

2.1 Data Acquisition and Maintenance

2.1.1 Lead Agency: SEMPO, with support from the Southeast Missouri Regional Planning and Economic Development Commission (via intergovernmental agreement with the City of Cape Girardeau)

2.1.2 Objective
The Southeast Missouri Regional Planning and Economic Development Commission will collect data and maintain databases and maps as needed to assist the SEMPO Board of Directors, Technical Planning Committee, and staff in fulfilling their respective duties. This information will also be available to outside jurisdictions and agencies as well as the public.

### 2.1.3 Program Activities

a. Coordinate with MoDOT, IDOT, Bootheel Regional Planning Commission, and other agencies in obtaining data for the SEMPO planning area.
b. Conduct studies to obtain needed information not currently available.
c. Compile data and maintain databases for various data types such as demographics, socioeconomics, land uses, traffic counts, traffic accidents, and crashes for the SEMPO planning area.
d. Maintain an inventory of multi-modal transportation facilities and services within the metropolitan planning area for transit, rail, river, aviation, freight, and other transportation modes.
e. Prepare maps for analysis, presentations, and work products.
f. Serve as a data and information resource for SEMPO members, outside jurisdictions and agencies, and the public.

### 2.1.4 FY 2016 Accomplishments

b. Prepared maps for public input sessions on 2016-2040 MTP (September 2015)
c. Maintained GIS interactive map for SEMPO planning area
d. Complied data for SEMPO planning area

### 2.1.5 FY 2017 Work Products (estimated completion dates)

a. Databases and maps containing demographic, socioeconomic, land use, traffic, and other data for the SEMPO Metropolitan Planning Area (ongoing)

### 2.1.6 Budget: $9,766

### 3.0 Transportation Planning

This work element addresses the transportation planning function for SEMPO, including the Metropolitan Transportation Plan and the Transportation Improvement Program.

#### 3.1 Metropolitan Transportation Plan (MTP)

**3.1.1 Lead Agency:** SEMPO, with support from the Southeast Missouri Regional Planning and Economic Development Commission (via intergovernmental agreement with the City of Cape Girardeau)

**3.1.2 Objective**
The 2016-2040 Metropolitan Transportation Plan (MTP) was adopted by the Board of Directors on February 17, 2016. The MTP describes the existing transportation systems in the SEMPO planning area and identifies future transportation improvements that may be necessary, based on multiple-scenario forecasts. It also contains goals and objectives, as well as possible actions that
could be taken to achieve them. The financial plan of the MTP is divided into two categories: fiscally constrained and illustrative. This long-range, multi-modal, regional transportation plan will serve as the principal guide for developing an integrated, intermodal transportation system to facilitate the safe and efficient movement of people and goods. Federal regulations require the MTP to be updated every five (5) years, at a minimum. Because the MTP and the Transportation Improvement Program (TIP) must be closely aligned, it is anticipated the MTP may need to be amended prior to the five (5) year update.

3.1.3 Program Activities
   a. Amend 2016-2040 MTP as necessary.

3.1.4 FY 2016 Accomplishments
   a. Conducted travel demand forecasting (August 2015)
   b. Held public input sessions (September 2015)
   c. Submitted draft to MoDOT, IDOT, FHWA and FTA for review (October 2015)
   d. Released for 30-day public comment period (December 2015)
   e. Held public hearing (December 2015)
   f. Held teleconference to review and address FHWA and FTA comments (January 2016)
   g. Recommended adoption (February 2016)
   h. Adopted 2016-2040 MTP (February 2016)

3.1.5 FY 2017 Work Products (estimated completion dates)
   a. 2016-2040 MTP Amendments (TBD – as necessary)

3.1.6 Budget: $7,158

3.2 Transportation Improvement Program (TIP)

3.2.1 Lead Agency: SEMPO, with support from the Southeast Missouri Regional Planning and Economic Development Commission (via intergovernmental agreement with the City of Cape Girardeau)

3.2.2 Objective
The FY 2016-2019 Transportation Improvement Program (TIP) was adopted by the Board of Directors on February 17, 2016. The TIP is a prioritized, fiscally-constrained, multi-year list of federally funded transportation projects and improvements within the SEMPO planning area, which authorizes the obligation of federal funds for listed projects and operations. At least every 2 years, the proposed improvement projects, plans, studies, and other activities expected to occur over the next 4 years will be taken from the MTP and entered into the programming process, culminating in the development of a TIP, and then included by reference in the Statewide Transportation Improvement Program. Each year, SEMPO will certify its compliance with federal, state, environmental, and civil rights regulations. In addition, SEMPO will make amendments and administrative modifications to the TIP as necessary to reflect project additions, deletions, and changes.

3.2.3 Program Activities
   a. Make amendments and administrative modifications to FY 2016-2019 TIP as necessary.
b. Certify the transportation planning process for compliance with federal, state, and local laws.
c. Incorporate annual transit Program of Projects public participation activities into the TIP public participation activities.
d. Include public outreach in the TIP process.

3.2.4 FY 2016 Accomplishments
a. Requested and obtained project information (April-October 2015)
b. Submitted draft to MoDOT, IDOT, FHWA and FTA for review (October 2015)
c. Released for 30-day public comment period (December 2015)
d. Held public hearing (December 2015)
e. Held teleconference to review and address FHWA and FTA comments (January 2016)
f. Recommended adoption (February 2016)
g. Adopted FY 2016-2019 TIP (February 2016)

3.2.5 FY 2017 Work Products (estimated completion dates)
a. FY 2016-2019 TIP Amendments and Administrative Modifications (TBD – as necessary)

3.2.6 Budget: $9,944

3.3 Regional Bicycle and Pedestrian Plan

3.3.1 Lead Agency: SEMPO

3.3.2 Objective
As part of the 3-C (continuous, cooperative, and comprehensive) planning process, SEMPO is authorized to conduct studies and prepare plans pertaining to transportation in the SEMPO planning area. For FY 2017, SEMPO plans to develop a regional bicycle and pedestrian plan, which will serve as both a reference and a guide for integrated planning and implementation of bicycle and pedestrian facilities into the existing multi-modal system, and into future projects, thereby expanding opportunities for non-motorized forms of transportation and recreation.

3.3.3 Program Activities
a. Consultant selection/procurement (if necessary)
b. Pre-kickoff
c. Kickoff/public and stakeholder outreach
d. Review of existing plans and data
e. Visioning and goal setting
f. Preparation of draft plan
g. Public engagement
h. Preparation of final plan
i. Public comment period
j. Adoption

3.3.4 FY 2017 Work Products (estimated completion dates)
a. Regional Bicycle and Pedestrian Plan (June 2017)

3.3.5 Budget: $50,000
WHEREAS, the Board of Directors of the Southeast Metropolitan Planning Organization is the Executive Body of the metropolitan planning organization designated by the Governor of the State of Missouri and the Governor of the State of Illinois for the Cape Girardeau - Jackson urbanized area, and responsible for carrying out the provisions of 23 U.S.C. 134 and 49 U.S.C. 5303; and

WHEREAS, the Southeast Metropolitan Planning Organization is charged with the preparation and adoption of an annual Unified Planning Work Program as specified in 23 CFR 450.314 as part of a continuous, cooperative, and comprehensive transportation planning process; and

WHEREAS, the FY 2017 Unified Planning Work Program has been prepared in accordance with the federal regulations; and

WHEREAS, the FY 2017 Unified Planning Work Program has been presented to the public for review and comment; and

WHEREAS, the Technical Planning Committee has recommended adoption of the FY 2017 Unified Planning Work Program to the Board of Directors.

NOW, THEREFORE BE IT RESOLVED that the Board of Directors of the Southeast Metropolitan Planning Organization hereby adopts the FY 2017 Unified Planning Work Program as shown in the attached exhibit, which is incorporated herein by reference.

PASSED AND APPROVED THIS ____ DAY OF ______, 2016.
