Date: January 16, 2019

Temporary road construction will be performed at the intersection of Adams Street and South High Street on Wednesday, January 16 through Friday, January 18. This construction is being performed by Nip Kelley Equipment Company as part of a warranty fulfillment on a project previously performed in the uptown area.

Motorists are asked to use extreme caution in this area during the time of the construction. Signs will be posted to notify motorists of detours and temporary delays that are applicable in this area.
